

EICF 27th International Conference & Exposition
Kraków, Poland, May 16-19, 2010

“European Heritage”

Best Paper Competition

Applications are invited from engineers under 30 years old to submit a paper of between 4 - 6 pages on any topic related to investment casting where a contribution has been made to one of the following:

- Development of a new manufacturing process or material
- Producing a complex and difficult casting
- The introduction of new working practices or manufacturing systems to increase production efficiency.

The winning entry from each category will be invited to present his or her paper at the 27th Conference and will also be invited to the conference dinner as guest of honour to be held at the Wieliczka Salt Mine.
